

Purpose of the funding

Schools are given guidance on what to use the sport premium funding for...

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

It is expected that schools will see an improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Academic Year: 2020/21	Total fund received: £11,417	Date Updated: 17/06/20
